Build the DCU That Is Right for Your Needs

Follow these steps and check options clearly. 

Consult your local A.R.E. dealer for more details or with questions regarding any of the options shown here.

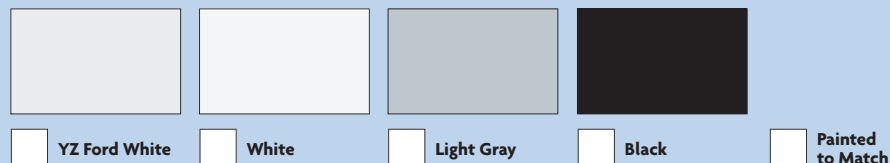

1 Choose a Cap Height

Select the appropriate height for your needs. Consider headroom, accessibility, and the amount of overall space you need.

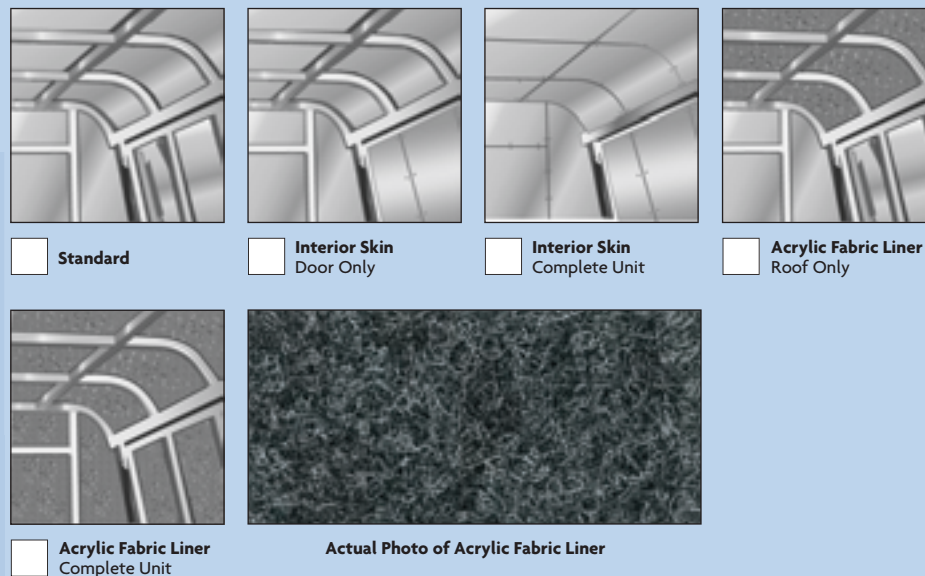

2 Choose a Color and Interior Finish

Choose from one of our standard colors or have your cap painted to match the truck manufacturer's paint code.

Choose from our interior upgrade options based on your needs for added security, strength and insulation.

3 Choose a Rear Door

Choose the rear door and window option that provides the optimal accessibility on a daily basis.

☐ Standard 1/2

☐ Standard 1/2 with Window
☐ With Security Screens

☐ Double Full

☐ Double Full with Window
☐ With Security Screens

☐ Single Full

☐ Single Full with Window
☐ With Security Screens

☐ Hatchback Lift

☐ Hatchback Lift with Window
☐ With Security Screens

4 Choose a Side Option

To customize your DCU even further, you can choose from different side options for the driver and passenger sides.

Standard Full Length

- ☐ Driver
☐ Passenger

Double Doors

- ☐ Driver
☐ Passenger

Radius Slider

- ☐ Driver
☐ Passenger

Standard Full Length with Window

- ☐ Driver
☐ Passenger
☐ With Security Screens

Solid Glass Win-door

- ☐ Driver
☐ Passenger

Solid – No Door

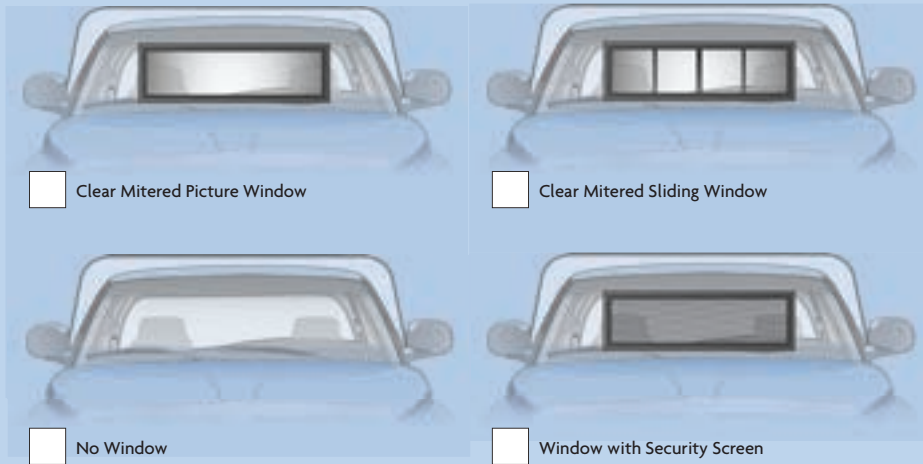

- ☐ Driver
☐ Passenger

Deluxe Commercial Units

5 Choose a Front Window Option

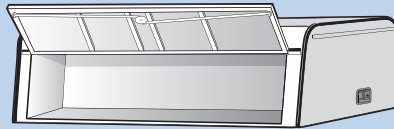

Choose the front window option based on your security, access and visibility needs.

6 Choose Toolbox and Shelving Options

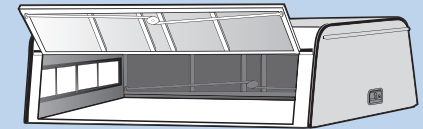

You can choose to have toolbox storage or an easy access opening on either side.

Note: Fabric liner is not available on toolbox interior.

Standard Toolbox

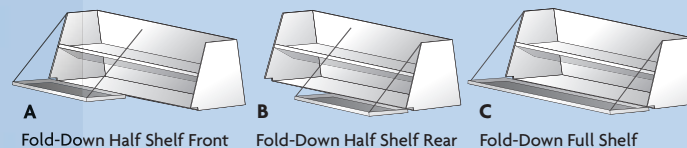

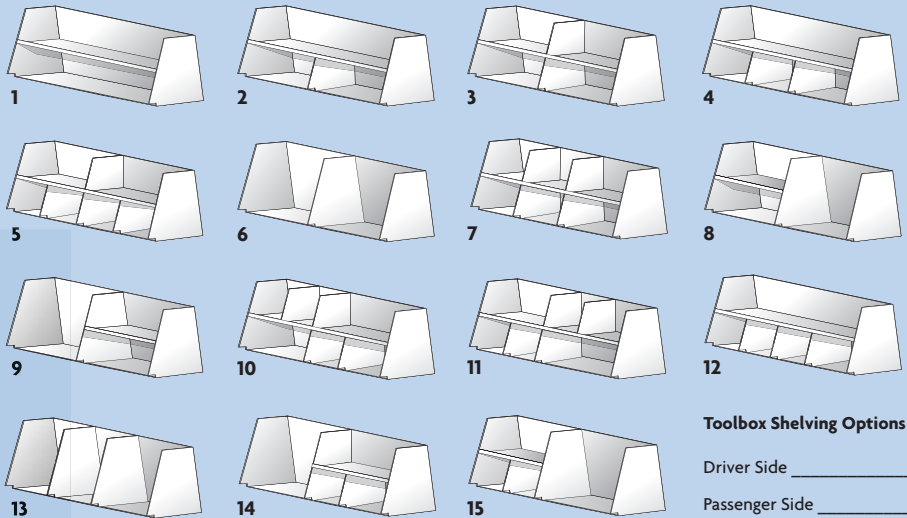

- ☐ Driver
- ☐ Passenger

No Toolbox

- ☐ Driver
- ☐ Passenger

Choose one of the 15 toolbox options shown below, a fold-down shelf for use on the job, or no shelves at all.

Fold-Down Shelving Options

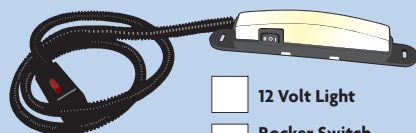

Driver Side _____

Passenger Side _____

7 Choose the Lighting

Consider where you need light for night visibility, as well as if you would like the lighting to come on automatically when opening the doors.

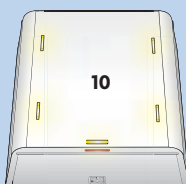

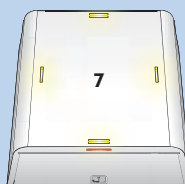

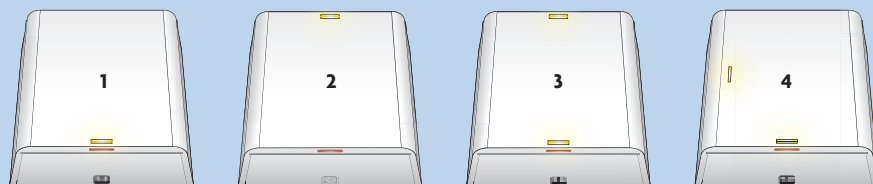

☐ 12 Volt Light

☐ Rocker Switch
Turns light on when door opens.
One switch required per door.

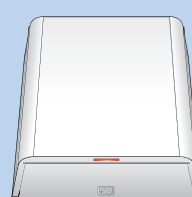

☐ Battery Light

12 VOLT WIRING SCHEMES **Note: Remote keyless entry available on 12 volt systems upon request.**

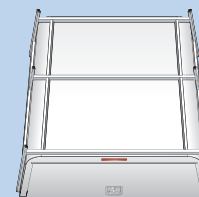

8 Choose a Ladder Rack

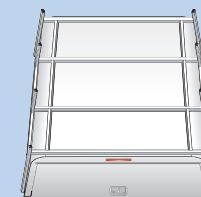

Choose an A.R.E. manufactured welded aluminum ladder rack or a commercial-grade steel locking ladder rack, based on your needs.

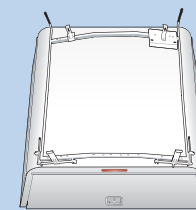

☐ No Ladder Rack

☐ Ladder Rack
with center support
and third leg

☐ Ladder Rack
with two center
supports and third leg

☐ Ladder Rack
double locking

Jet Rack™ Interior Ladder Rack System

☐ Jet Rack™
Interior Ladder Rack System

☐ Heavy-duty
Rack System

9 Choose a BedSlide™ Storage System

Choose a BedSlide option based on your needs.

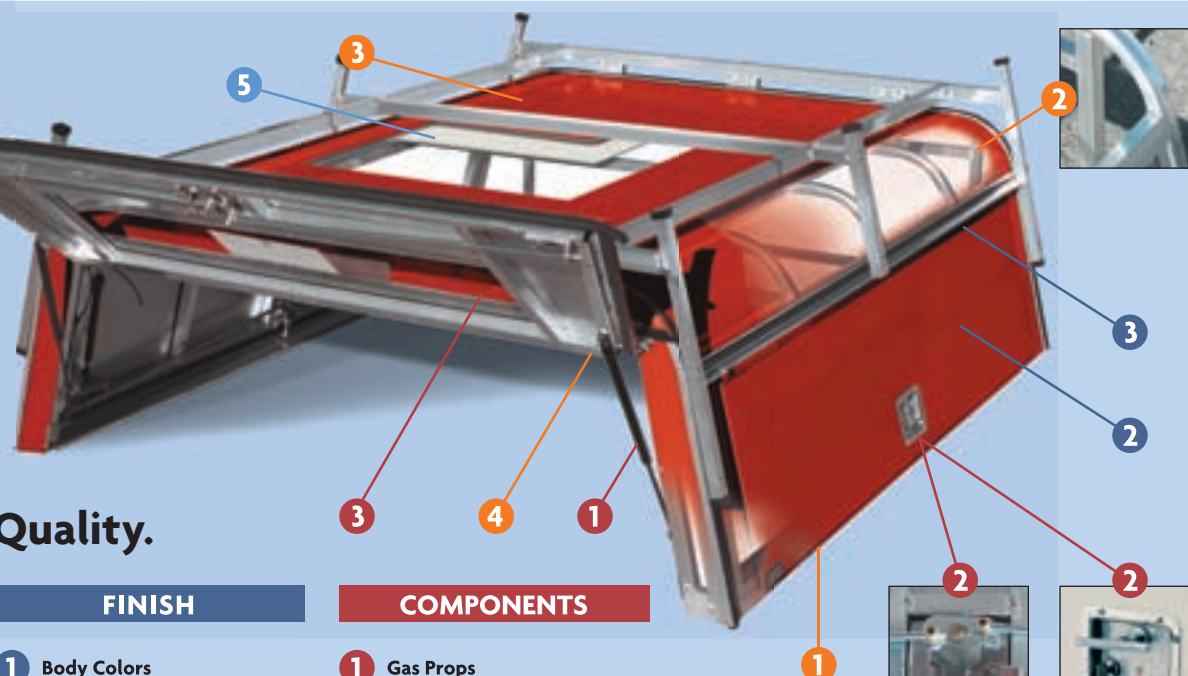

☐ No BedSlide

☐ WeatherDeck
with carpeting and rubber mat

☐ Standard Grade
with carpeting

☐ Contractor Grade
Heavy-duty with carpeting
and rubber mat

Deluxe Commercial Units

Commercial Strength. Automotive Quality.

OPTIONS

- 1 Height**
A.R.E. has four standard heights plus three wedge heights to meet your specific capacity needs.
- 2 Rear Doors**
A.R.E. offers four door styles to meet your rear access needs.
- 3 Side Tool Bins**
Tool bins are made of .036 galvanized steel with a baked white top coat. The bins can be customized to include dividers and fold-down shelves.
- 4 Roof Racks**
A.R.E. offers two different racks to meet your specific hauling needs. Extra cross bar supports are available.
- 5 Vapor Barrier Insulation**
Optional acrylic fabric liner provides protection from condensation.

STRUCTURE

- 1 Baserails**
.080" thick T6 aluminum base-rails with MIG welded corners provide a strong foundation.
- 2 Structural Tubing**
.050" thick T6 aluminum tubing framework with TIG welded joints provides strength and support with minimal weight.
- 3 Exterior Skin**
Heavy-duty .035" thick aluminum exterior skin provides a superior structure.
- 4 Door Frames**
A.R.E. builds all styles of doors with the same .050" thick wall tubing used in the body frame. All TIG welded joints and continuous hinges assure alignment and durability.

FINISH

- 1 Body Colors**
A.R.E. offers our DCU in white, YZ Ford white, light gray, or black standard. The color is a baked enamel finish applied to the aluminum skin at the mill. The color is not meant to provide a match to any OEM truck paint, but is intended to accent the truck's appearance without the cost of custom painting.
- 2 Custom DuPont® Paint Finishes**
Optional two-stage ChromaPremier® paint is offered in any OEM or Fleet color code formula. Applied in our down draft booths and baked on for durability.
- 3 Trims**
Edge trims are offered in black or white.

COMPONENTS

- 1 Gas Props**
Our gas props are set to the optimal pressure to assist in lifting and closing each cap door.
- 2 Latches and Locks**
All doors are equipped with Strattec® OEM automotive grade lock cylinders. The folding T-grip latch handle is durable and offers top security. The cam action deadbolt lock rods with the center point lock provide lifelong trouble-free operation. All latches and locks have 500 hours noncorrosion finish.
- 3 Windows**
A.R.E. offers radius dark tinted tempered safety glass in all doors. Optional heavy aluminum mesh security screens deter unwanted entry.

A.R.E. offers the following standard exterior colors:

White .035	YZ Ford White .035
Light Gray .035	Black .035

Trust the Leader

Outfit Your Truck for Life

When it comes to designing, producing and delivering commercial grade work caps for pickups, A.R.E. is top shelf! The A.R.E. DCU offers more strength, durability and work life than any other truck cap built today. And the A.R.E. DCU does the job without excessive weight that reduces your payload and fuel economy.

When you purchase a DCU for your truck, you have over 600 North American A.R.E. dealerships ready to serve you. Major leasing companies rely on A.R.E. to provide caps and service to thousands of vehicles they own nationwide. You deserve the same peace of mind that they enjoy. See your local authorized A.R.E. dealer today to order the DCU that meets your needs.

DCU Warranty

A.R.E. warrants to the original purchaser of DCU truck caps that they are free from defects in structure, materials and workmanship for a period of three years from the date of purchase from an authorized A.R.E. dealership. See the dealership for a copy of the full warranty statement.
